

# REBECCA HEATON

0468998155 | becky.a.heaton@outlook.com

An undergraduate student completing a **Bachelor of Science/Fine Arts, majoring in Physics and Studio Practice.**

## PROFESSIONAL EXPERIENCE

---

### OPTUS SATELLITE

Nov 2023 – Present

*External Consultant to Satellite Operations and Support*

- **Met with outside organizations to discuss future endeavours, fostering collaboration and exploring new opportunities in satellite technology and operations.**
- Coordinated with various teams to implement and update operational protocols, enhancing satellite reliability and functionality.
- Authored detailed satellite procedures, ensuring the safe and efficient operation of satellite systems.

### AZIMUTH ADVISORY

Feb 2020 – Dec 2023

*Research Assistant / Paralegal*

- Produced detailed internal reports on HAV (High Altitude Vehicle) technology regulations for a government client of Azimuth Advisory, addressing complex industry challenges.
- Proofread and cross referenced complex legal transactions involving major corporate clients of Azimuth Advisory.

### HEADSPACE

Aug 2022 – Feb 2023

*Youth Reference Group Representative*

- **Served as a media spokesperson, effectively representing the organization and its mission to young people.**
- Generated comprehensive internal reports on urgent youth mental health topics, notably teenage steroid use, identifying and addressing critical issues.
- **Actively engaged with the local community by supporting outreach initiatives and promoting awareness for mental health.**
- Designed educational packages and workshops tailored for schools.

### ITV STUDIOS

July 2022

*Production Runner*

- Acted as a vital liaison between different departments, facilitating effective communication and coordination to ensure seamless workflow and efficient execution of tasks.
- Undertook various administrative duties, such as organizing schedules, managing paperwork, coordinating logistics, and performing errands, contributing to the overall productivity and success of the production.

### SABER ASTONAUTICS

May 2020 – Feb 2022

*External Consultant*

- Produced internal reports containing in depth analysis on the viability of Saber Astronautics ventures (*including space weather visualisation, satellite tasking algorithms and remote sensing*) and presented findings to senior leaders.
- Led web and brand design for multiple projects across Saber Astronautics and affiliated enterprises (*including Quest for Blue One and Two, Open Galactic and Saber Astronautics itself*).
- Oversaw and managed the production of educational content (*professionally produced films, bulletins, and scripts*) for the MCC (*Australian Mission Control Centre*) and RSOC (*The Responsive Space Operations Centre*).

**OTHER:** Three Blue Ducks (*Café*), The Cook and the Baker, Café Azure, Café Giulia, Football Coach (*St Catherine's*), Referee, Afterschool Care.
